Mackenzie83 for Center for Safety and Change at Maria Luisa

Join us for a 'Sip and Chat' Fair Trade conversation and shopping event to benefit Center for Safety and Change.

Designed and founded by New York native, Brittney Mackenzie, her passion for art and design is the backbone of Mackenzie83. Mixing the reduce, re-use, recycle mindset with an ideology of raw design, the collection is the result of these influences.

20% of all product sales will go to C4SC. Bonus-Save 10% on Mackenzie83 purchases of items priced over \$200.
