

Center for Safety & Change

PRESENTS

GETTING TO THE ROOT

Two (2) Day Intensive Training on Racial Justice

Systemic racism exists, advantaging white people while disadvantaging those who are Black, Indigenous and People of Color. To get real and do something about it, we must be willing to learn from history, understand power and organize for social justice and equity.

Stay involved. Be the change. Start today.

Registration accepted on a
first come, first served basis.

For more information or to register, visit
centerforsafetyandchange.org/theroot.
